

box cars and one-eyed jacks

Hello from Box Cars! Happy midweek.

Box Cars is considering offering live Zoom professional development workshops, which participants will be able to attend for a small fee (approx \$30.00 per participant). In these workshops, Jane or John will be able to go into greater depth than in our free youtube videos. Moreover, they will be able to take questions from participants, show student samples, and discuss differentiation/journaling ideas. A pdf downloadable handout will be included with the session. These sessions will use regular cards and regular dice - materials many of you already have on hand. We are keen to know how many of you would consider doing a workshop like this. If you are interested, please email Jane at jane@boxcarsandoneeyedjacks.com. Kindly include your grade level and what kinds of topics you would like to see!

In the meantime, our COVID-19 resources page will remain free and available. Click the video links below for this week's game instructions.

[You can always refer to Box Cars' COVID-19 Resource Page, which is accessible by clicking HERE.](#) This page will include all prior Math At Home emails as well as all links and downloadables. Check it out! We hope that there are some helpful tidbits in there for you to share with your families. Box Cars is happy to be helping in this small way.

****NOTE:** If you are finding that the video or download links from previous Math at Home emails are not working, please go to the COVID-19 resource page linked above. Those links and videos are kept up to date.

If you know anyone who would like to be added to our newsletter list, please feel free to email Shaky T at theresa2@boxcarsandoneeyedjacks.com

Stay safe, stay sane, and whenever possible, stay home.

All our best wishes,
The Box Cars Team <3
