

## box cars and one-eyed jacks

Hello again from Box Cars! Happy start of the week to you all. We hope everyone is keeping safe and keeping busy. We have received incredible feedback from these Math at Home game emails, so rest assured that there will be lots more content coming atcha in the coming weeks and months.

With that in mind, Shaky Jane and Shaky John are here to demo two Box Cars classic card and dice games - Junior Star Traveler/Sweet 16, plus a bonus addition graphing activity. Great games for working on operations. Click the links below for instructional videos!

### Junior Star Traveler

Materials: cards, two regular dice, Gameboard  
Skills: Counting On, Addition and/or Subtraction Facts  
Grade Levels: K-2  
Reproducibles: [Gameboard Click HERE](#)

### Addition Graphing aka "Reach for the Top"

Materials: two regular dice, Gameboard  
Skills: Counting On, Addition Facts  
Grade Levels: K-1  
Reproducibles: [Gameboard Click HERE](#)

Once you watch the above video for Addition Graphing and try it yourselves, consider asking your students which numbers come up most and why. Note that when we roll two dice over and over, the results usually make something like a bell curve:

### Sweet 16

Materials: cards, two regular dice

Skills: Operations (Addition, subtraction, multiplication, division, exponents, fractions, etc.)

Grade Levels: 3-9

Reproducibles: n/a

Thank you Jane and John for the demos! If you are interested in Box Cars' [mini decks of cards featuring zeros, ones, elevens and twelves](#), [click HERE.](#)

We will have more to send out later this week. If you know anyone who would like to be added to our newsletter list, or if you would like to be re-sent any of the prior emails, please feel free to email Shaky T at [theresa2@boxcarsandoneeyedjacks.com](mailto:theresa2@boxcarsandoneeyedjacks.com)

Stay safe, stay sane, and whenever possible, stay home.

All our best wishes,  
The Box Cars Team <3

Jane
