

box cars and one-eyed jacks

Hello from Box Cars! Happy Friday to you all.

We are excited to announce that we have created a new [COVID-19 Resource Page on our website, which you can access by clicking HERE.](#)

This page will include all prior Math At Home emails (such as this one), as well as all links and downloadables. Please check it out! We hope that there are some helpful tidbits in there for you to share with your families. Box Cars is happy to help in this small way.

On to today's games! Featured today is Jane with Odd-Eveners and Kristin Hilty with Tic Tac Oh No. Click the links below for videos and for downloadable resources.

[Odd - Eveners, Odd - Eveners Follow Up Recording](#)
